

LoyalFan™

PROGRAM

WE BELIEVE IN CHEERING EACH OTHER ON!

Here's How It Works -

As a vendor at Vintage Fan Fair you will receive a personalized ticket discount code to give to all your customers. The code can be used an unlimited number of times, so **all** your customers can take advantage of the *lowest priced ticket available*. Nice! That's what a [LoyalFan™](#) deserves.

As our [LoyalFan™](#), you deserve a perk too. So, for every customer who purchases a ticket using your specific discount code, you will receive a \$1 discount on your booth fee. The total discount will

be tallied and sent to you after the show*. Just imagine, the more loyal customers who come to the show, the lower your booth fees. It's a win for all!

There's nothing to sign up for, you will automatically be assigned a discount code with your signed contract and you can start promoting it right away. That's all there is to it.

Welcome to the [LoyalFan™](#) club.
